

Cancellation / No Show Policy

Consistent attendance of all therapy sessions is very important. Cancellations and/or no shows are highly discouraged.

Please arrive for your appointments on time. If you are more than 15 minutes late, you may need to wait until the therapist is available or you may be asked to reschedule.

We require 24 hours notice in the event of a cancellation. Please have an alternative appointment time in mind when you call to enable us to reschedule your appointment.

There is a \$25.00 charge for all no show appointments. This charge is not covered by your insurance. In the event of 3 consecutive no shows, all remaining appointments will be cancelled and you will be referred back to your physician.

Thank you in advance for your cooperation.
